

MH Qazi Star Alumni Award Application Form

Last Date of Submission: 1st September 2024

Applications must be submitted to awardsichpe@ucm.uol.edu.pk

For all correspondence regarding the award please contact awardsichpe@ucm.uol.edu.pk

The Star Alumni Award recognizes exemplary performance by the graduates of the University of Lahore, Master in Medical Education programme. In order to be eligible for the award, the graduate is expected to have excellent consistent performance and a strong commitment to the profession, while working full-time in the field of health professions education.

Eligibility:

The award is limited to the alumni who have completed a Master in Medical Education program from the University of Lahore.

Criteria:

MH Qazi Star Alumni Award recipients will have made a significant impact in health professions education through outstanding contribution and dedication and exceptional performance in health professions education, as demonstrated by one or more of the following:

1. Outstanding Achievements and Performance:

The candidate contributes and demonstrates a commitment to the program's mission and core values. Consistently and substantially exceeds the expectations of the position, performing at a level beyond normal expectations; has made significant contributions to health professions education.

2. Professionalism:

Consistently and substantially demonstrates an ability and willingness to work positively, respectfully, and effectively with others. Demonstrates exceptional ability to foster collaboration, communication, and cooperation among colleagues and members of the health professions community.

3. Outstanding Education Support, Initiative, and Creativity:

The candidate has significantly improved a work process or system in the workplace, or has significantly increased the efficiency of a department or unit; consistently seeks to improve the quality of work assigned; demonstrates efforts to expand work responsibilities.

4. Leadership and research skills

The candidate has demonstrated leadership skills to realize the dynamic nature of health professions education. The candidate is able to lead the profession in his capacity and protect the interests of the profession through his networking and communication skills at the institutional, national and global levels. The candidate shows excellent research skills through publications in high-quality journals.

5. Continuing professional development and faculty development

The candidate provides evidence of his professional development and demonstrates his/her contribution to the capacity-building activities in his institution and at the national and global levels.
